To Whom It May Concern:
Re: GCM Contracting Solutions

We here at Bethlehem Const. Corp. would like to recognize GCM Contracting Solutions as one of our very best subcontractors. To date we have been very happy with their attention to our very critical job schedule, and willingness to go the extra mile in the interest of "the job". The supervisory personnel provided have been very knowledgeable of the work of their subcontract. They also have been very helpful with respect to job safety. We do intend to do multiple projects with this firm.

Thank You,
