To Whom It May Concern,

Re: GCM Contracting.

We would like to take an opportunity to recognize GCM Contracting Solutions, Inc. for their contribution to the construction of Hope Lutheran Church in Estero, Florida. This was our first tilt-up project, and an innovative design. With the assistance and cooperation of GCM, the project was completed on time, on budget, and it received a 2002 Achievement Award from the Tilt-up Concrete Association, as well as the CBIA 2001 Commercial project of the year. We consider GCM Contracting to be a capable member of our preferred bidders list.

Sincerely,

Jeff Maddox
